

Say hello to... Access to technical sources

During your time at Cranfield, you had access to some amazing technical sources to support your learning. With your Alumni Library Online, you can still access some of them even after you've graduated – helping you to stay informed on the latest trends and research in your field.

Aerospace

Through the American Institute of Aeronautics and Astronautics (AIAA) Journals and Meeting Papers service, you can access five key AIAA journals: AIAA Journal, Journal of Aircraft, Journal of Guidance, Control and Dynamics, Journal of Propulsion and Power, Journal of Spacecraft and Rockets.

Engineering

Access full-text mechanical engineering journal articles and conference papers, browse the Institution of Civil Engineers Virtual Library, read articles from the Institution of Electrical and Electronics Engineers and get full-text access to the American Society for Testing and Materials Standards.

Water science

Visit the International Water Association's journals site to access peer-reviewed journals.

Global financial information

Access global financial information through Fitch Connect – including reports and analysis, in a number of areas including autos, defence and security, oil and gas, power, renewables and water.

Stay up-to-date with the latest industry trends.
Visit www.cranfield.ac.uk/alo to get started.

Say hello to... Free access to a wide range of top-quality subscription databases

As one of the UK's leading university library services for alumni, the Alumni Library Online gives you free access to a huge range of resources – including subscription databases specifically licenced for the benefit of Cranfield alumni.

Which databases can I access via the ALO?

- ABI/INFORM Global (Alumni)
- AIAA Journals and Meeting Papers
- ASME Digital Collection (American Society of Mechanical Engineers)
- ASTM Compass (American Society for Testing and Materials)
- EBSCO Business Source Alumni
- Emerald Journals
- Fitch Connect (Formerly BMI Research)
- ICE Virtual Library (Institute of Civil Engineers)
- IEEE ASPP Online
- IWA Journals (International Water Association)
- Sage Journals
- Sage Research Methods Online
- Vault

Find out more about the range of subscription databases you can access. Visit www.cranfield.ac.uk/alo to get started.
