

## Registration Dates for Main Arrivals Week Academic Year 2025/26

This document confirms the day you will register for your course. On this day you must attend campus and complete your registration.

**Please note this date may differ from the start date on your offer letter, which is the start date of your welcome week.**

Programme of Study	Registration Date
Research students - ALL SCHOOLS	29 September 2025
Systems Engineering	29 September 2025
Aerospace Computational Engineering	29 September 2025
Computational and Software Techniques in Engineering (All routes)	29 September 2025
Computational Fluid Dynamics	29 September 2025
Banking, Economics and Finance	29 September 2025
Data Analytics	29 September 2025
Finance	29 September 2025
Management	29 September 2025
Strategic Marketing	29 September 2025
Logistics and Supply Chain Management	29 September 2025
Procurement and Supply Chain Management	29 September 2025
Full-time MBA	30 September 2025
Advanced Motorsport Engineering	30 September 2025
Advanced Motorsport Mechatronics	30 September 2025
Automotive Engineering	30 September 2025
Automotive Mechatronics	30 September 2025
Connected and Autonomous Vehicle Engineering (Automotive)	30 September 2025
Future Food Sustainability	30 September 2025
Advanced Chemical Engineering	30 September 2025
Advanced Mechanical Engineering	30 September 2025
Renewable Energy	30 September 2025
Applied Bioinformatics	30 September 2025
Environmental Engineering	30 September 2025
Water and Wastewater Processes	30 September 2025
Data Science and Artificial Intelligence for Sustainability	30 September 2025
Advanced Materials	01 October 2025
Aerospace Manufacturing	01 October 2025
Aerospace Manufacturing (SINO)	01 October 2025
Digital and Technology Solutions	01 October 2025
Engineering and Management of Manufacturing Systems	01 October 2025
Maintenance Engineering and Asset Management	01 October 2025
Management and Information Systems	01 October 2025
Welding Engineering	01 October 2025

Advanced Air Mobility Systems	01 October 2025
Advanced Lightweight and Composite Structures	01 October 2025
Aerospace Dynamics	01 October 2025
Aerospace Vehicle Design (All routes)	01 October 2025
Applied Artificial Intelligence	01 October 2025
Astronautics and Space Engineering	01 October 2025
Autonomous Vehicle Dynamics and Control	01 October 2025
Robotics	01 October 2025
Thermal Power (All specialisms)	01 October 2025
Pre-master's in Engineering	01 October 2025
Counterterrorism	02 October 2025
Digital Forensics	02 October 2025
Forensic Archaeology and Anthropology	02 October 2025
Forensic Investigation	02 October 2025
Air Transport Management	02 October 2025
Airport Planning and Management	02 October 2025
Aviation Digital Technology Management	02 October 2025
Safety and Human Factors in Aviation	02 October 2025
Engineering Competence	03 October 2025
