

Careers Factsheet

Strategic partnerships

Who does the Employer engagement team partner with?

The Employer engagement team help companies to hire the next generation of their workforce. Some look for just one or two 'experienced hires', others have large graduate programmes to fill, and some seek placement students for shorter term [internships](#) and projects. Many choose to work with us year after year. Organisations we work with in this context are detailed below:

4C Associates	ACK3 Consultoria De Riesgos Globales SL	Aecom
