

Energy and Power prize winners

Prize winner name	Programme of study or supervised research	Prize name
Falilat Oluwatobi Kassim	Master of Science in Advanced Chemical Engineering	The Dr Xu Tang prize for the best overall student on the Advanced Chemical Engineering MSc
Fausto Raschioni	Master of Science in Advanced Mechanical Engineering	The award for the best thesis
Kenechukwu Joshua Okata	Master of Science in Advanced Mechanical Engineering	The award for the best thesis
Fausto Raschioni	Master of Science in Advanced Mechanical Engineering	The best overall student prize
Luyao Mei	Master of Science in Advanced Mechanical Engineering	The John Greenlees Findlay Memorial Award
Paul Charles Harris	Master of Science in Design of Rotating Machines	The British Gear Association Alan Thompson Memorial Prize
Paul Charles Harris	Master of Science in Design of Rotating Machines	The Engineering Mechanics Prize
Balaji Jaya Gopi Pillai	Master of Science in Energy Systems and Thermal Processes	The award for the best thesis
Gonzalo Menoyo Gomez	Master of Science in Energy Systems and Thermal Processes	The best overall student prize
Laura Barclay	Master of Science in Offshore and Ocean Technology with Offshore Materials Engineering	The Elf Prize
Patrick Alan Hoge	Master of Science in Offshore and Ocean Technology with Offshore Renewable Energy	The Professor John Sharp Prize
Chukwukere Ekele Uhuegbulem	Master of Science in Process Systems Engineering	The best overall student prize
Chukwukere Ekele Uhuegbulem	Master of Science in Process Systems Engineering	The Mike Sanderson Prize
Lanah Abdul Azeez Al-Sammarraie	Master of Science in Process Systems Engineering (Muscat)	The award for the best overall student on an Energy course at Muscat
James Anthony Kuttner	Master of Science in Renewable Energy	The award for the best thesis
Thomas Messmer	Master of Science in Renewable Energy	The best overall student prize
James Anthony Kuttner	Master of Science in Renewable Energy	The Giacomo Pellegrini Susini Award
Maryamsadat Mohaddes	Master of Science in Renewable Energy	The prize for the best taught mark
Dawn Victor Bassey	Master of Science in Renewable Energy	The Worshipful Company of Armourers and Brasiers Prize
Jarryd Braithwaite	MSc in Advanced Mechanical Engineering	Highly Commended Runner up for The Vice-Chancellor's Prize

Environment and Agrifood prize winners

Prize winner name	Programme of study or supervised research	Prize name
Julian Michael Libiseller-Egger	Master of Science in Applied Bioinformatics	The award for the best student
Daniel Joss Spindlow	Master of Science in Applied Bioinformatics	The MSc team award
Amy Jean Esther Nyiri	Master of Science in Environmental Engineering	The Worshipful Company of Fan Makers Prize
Naomi Adriana Sandford-Dequincey	Master of Science in Environmental Management for Business	The Douglas Bomford Trust Award
Inga Ósk Jónsdóttir	Master of Science in Food Chain Systems	The Douglas Bomford Trust Award
Inga Ósk Jónsdóttir	Master of Science in Food Chain Systems	The McDonald's Prize
Miguel Vega Castellote	Master of Science in Food Chain Systems	The MSc team award
Yoon Ju Cho	Master of Science in Future Food Sustainability	The award for the best student
Yoon Ju Cho	Master of Science in Future Food Sustainability	The MSc team award
Carolyn Sharoti Nandozi	Master of Science in Geographical Information Management	The Esri UK Prize

Water prize winners

Prize winner name	Programme of study or supervised research	Prize name
Pongpanich Ekvisit	Master of Design in Design Thinking	CSD Accredited Course Prize
Araceli Viñarta Carbó	Master of Science in Environmental Water Management	The Atkins Prize
Charlotte Mary Jacqueline Atherton	Master of Science in Water and Sanitation for Development	Waterlines Water and Sanitation for Development MSc thesis of the year award
Samuel Yeboah Nyarko Nyarko	Master of Science in Water and Wastewater Engineering	The David Neil-Gallacher Prize for the best group design project awarded by British Water
Giacomo Tripodi	Master of Science in Water and Wastewater Engineering	The David Neil-Gallacher Prize for the best group design project awarded by British Water
Amanda Ramgobind	Master of Science in Water and Wastewater Engineering	The David Neil-Gallacher Prize for the best group design project awarded by British Water
Rowan Thomas Trevarthan Pearce	Master of Science in Water and Wastewater Engineering	The David Neil-Gallacher Prize for the best group design project awarded by British Water
Kelvin Kipngetich Mutai	Master of Science in Water and Wastewater Engineering	The David Neil-Gallacher Prize for the best group design project awarded by British Water
Samuel Yeboah Nyarko	Master of Science in Water and Wastewater Engineering	The George Solt Prize of the Institution of Chemical Engineers Water Special Interest Group
Samuel Yeboah Nyarko	Master of Science in Water and Wastewater Engineering	The Veolia Water Solutions and Technologies Prize
Jingwen Deng	Postgraduate Certificate in Water and Wastewater Engineering	The David Neil-Gallacher Prize for the best group design project awarded by British Water
