Time	Agenda
10:00-10:30	Arrival & Reception (coffee/tea/ snacks)
10:30-11:00	Welcome & Introduction (British High Commission Singapore)
11:00-11:30	Welcome and overview, intent of the workshops (Professor Ron Corstanje, Cranfield University)
11:30 -12:30	UK and Singapore presentation by the focus group in SAF (25/03), Hydrogen (26/03) or Policy (27/03); Speakers from UK delegation and A*Star (Singapore) and Nanyang Technological University (NTU, Singapore)
12:30-13:30	Lunch & Networking
13:30-14:45	Roundtable Discussion (All participants) – Several Roundtables (Max. 8).
14:45-15:15	Afternoon refreshments
15:15-15:30	General feedback and room level discussion (All participants)
15:30-16:00	Recap and closure of workshop (Professor Ron Corstanje, Cranfield University)

Please note: For individual workshops, the morning schedule (prior to the 11:30-12:30 presentation session) would have some adjustments. For example, HyDEX's presentation (~ 10 mins) will be included in Hydrogen workshop, Department for Transport (DfT, UK) presentation will be included in Policy workshop.
