Anna Keeling
Senior Vice President Business Transformation
GKN Aerospace

Anna has over 20 years of global aerospace and automotive industry experience. She joined GKN in June 2015 as Senior Vice President Commercial, assuming responsibility for all GKN Aerospace's commercial governance and ensuring an aligned customer strategy across the business. As of the 1st January she assumed the role of Senior Vice President, Business Transformation.

Previously she held the role of Sales and Commercial Director for Cytec, a Global Advanced Materials Manufacturing company. Prior to Cytec, she worked for the Hexcel Corporation in senior Commercial and Business Development roles which included leading Hexcel's A350XWB global team. The early part of her career was spent working in the automotive industry in Australia and Asia in design and development.

Having worked in more than 40 countries and lived in Australia, Switzerland, Poland, France and the UK, Anna's strength lies in her ability to build and manage high-performing diverse global teams in complex technical and multi-cultural international businesses. She holds degrees in Aerospace Engineering and Business Administration and has an MBA from The University of Melbourne.

Anna was named one of 2017's 100 Women to Watch in The Female FSTE Board Report.
