

National Manufacturing Debate

21 May 2019

Mike Wilson
Managing Director

Mike Wilson has over 35 years of experience in the application of automation to manufacturing across a broad range of industry sectors and is widely recognised as one of the leading authorities on the application of industrial robot systems in the UK.

Mike is Managing Director of KUKA UK & Ireland, a leading global supplier of intelligent automation solutions, from robots and cells to fully automated systems. He is also Chairman of the British Automation and Robot Association and has previously been Chairman of the International Federation of Robotics. His book "Implementation of Robot Systems" was published in 2014.
