

Spotlight on careers in:

> New for 2024/2025

The Careers and Employability Service are pleased to offer a range of interactive hybrid careers sessions in the areas of:

> Consulting

12 November 2024

6pm-7.30pm

> Finance

21 January 2025

6pm-7.30pm

> Logistics and supply chain

27 February 2025

6pm-7.30pm

> Marketing

14 May 2025

10am-12pm

The format of these sessions will be panel discussions, recruitment presentations, company insights and alumni career stories.

Why participate?

Take part in these events to showcase your employer brand, promote opportunities in your industry and build your talent pipeline through networking with our talented postgraduates from our top-ranked business school. We welcome participation from employers and alumni from across these sectors, so please contact us to discuss how you'd like to benefit.

Who will attend?

This careers event will attract MBAs, researchers and MSc students in areas such as management, consulting, finance and banking, marketing, business data analytics, procurement and logistics and supply chain.

Find out more about the School of Management courses here: [Full-time master's courses](#)

There is no charge to participate. Please get in touch to discuss how you could support one of the sessions.
