

CRANFIELD SUSTAINABILITY NETWORK E-NEWS
Incorporating the Doughty Centre for Corporate Responsibility

**CRANFIELD MASTERS IN MANAGEMENT & CORPORATE
SUSTAINABILITY (MCS)**

This year's cohort includes students from China, India, Iran, Thailand and Turkey as well as the UK.

MCS Students have joined students from other courses and faculty to hear guest presentations from several visiting speakers including:

- The CEO of Hunter Water, Australia: Dr Jim Bentley
- Dr Guy Champniss: VP, Insight & Outreach, Enervee.
- Students enjoyed a master-class with Visiting Professor John Elkington
- Students participated in the IESE-student run conference Doing Good, Doing Well.
- They have also just completed a well-received consulting assignment for the sustainability youth-engagement platform InSpring Global; and are now engrossed in their theses.
