

Photograph Requirements for Your Student ID

The following advice is taken from the UK Passport Agency and offers guidance on what is required. The photograph should be:

- In colour, not black and white
- Taken within the last month
- Taken against a plain background
- Undamaged, for example; not torn, creased, or marked
- Free from shadows
- Taken with your eyes open and clearly visible (no sunglasses or tinted glasses and no hair across your eyes)
- Free from reflection or glare on your glasses and the frames must not cover your eyes (where possible we recommend that you remove your glasses)
- Free from red-eye
- Facing forward, looking straight at the camera
- You on your own (no other people on the photo)
- Taken of the full head without any covering, unless it is worn for religious beliefs or medical reasons; and
- Taken with nothing covering your face
