

# **Cranfield Postgraduate Loan Scheme – Eligible Courses**

MSc in Advanced Lightweight Structures and Impact  
MSc in Advanced Materials  
MSc in Advanced Mechanical Engineering  
MSc in Advanced Motorsport Engineering  
MSc in Aerospace Dynamics  
MSc in Aerospace Manufacturing  
MSc in Aerospace Materials  
MSc in Aerospace Vehicle Design  
MSc in Air Transport Management  
MSc in Airport Planning and Management  
MSc in Applied Bioinformatics  
MSc in Applied Nanotechnology  
MSc in Astronautics and Space Engineering  
MSc in Automotive Engineering  
MSc in Automotive Mechatronics  
MSc in Autonomous Vehicle Dynamics and Control  
MSc in Carbon Capture and Storage  
MSc in Community Water and Sanitation  
MSc in Computational and Software Techniques in Engineering  
MSc in Computational Fluid Dynamics  
MSc in Defence Acquisition Management  
MSc in Defence Simulation and Modelling  
MSc in Design of Rotating Machines  
MSc in Energy Systems and Thermal Processes  
MSc in Engineering and Management of Manufacturing Systems  
MSc in Environmental Engineering  
MSc in Environmental Management for Business  
MSc in Environmental Water Management  
MSc in Explosives Ordnance Engineering  
MSc in Flow Assurance for Oil and Gas Production  
MSc in Forensic Archaeology and Anthropology  
MSc in Forensic Ballistics  
MSc in Digital Forensics  
MSc in Forensic Engineering and Science  
MSc in Forensic Explosives and Explosion Investigation  
MSc in Forensic Explosives and Explosion Investigation  
MSc in Forensic Investigation

MSc in Geographical Information Management  
MSc in Global Product Development and Management  
MSc in Guided Weapon Systems  
MSc in Gun Systems Design  
MSc in Information Capability Management  
MSc in International Defence and Security  
MSc in Knowledge Management for Innovation  
MSc in Logistics and Supply Chain Management  
MSc in Management and Information Systems  
MSc in Manufacturing Consultancy  
MSc in Manufacturing Technology and Management  
MSc in Military Electronic Systems Engineering  
MSc in Military Operational Research  
MSc in Military Vehicle Technology  
MSc in Offshore and Ocean Technology with Offshore Materials Engineering  
MSc in Offshore and Ocean Technology with Offshore Renewable Energy  
MSc in Offshore and Ocean Technology with Pipeline Engineering  
MSc in Offshore and Ocean Technology with Risk Management  
MSc in Offshore and Ocean Technology with Subsea Engineering  
MSc in Process Systems Engineering  
MSc in Renewable Energy Engineering  
MSc in Renewable Energy Technology  
MSc in Safety and Human Factors in Aviation  
MSc in Systems Engineering for Defence Capability  
MSc in Thermal Power  
MSc in Vehicle and Weapon Engineering  
MSc in Water and Wastewater Engineering  
MSc in Welding Engineering
