"Blunsdon House originated soon after the Bath and West Agricultural Show was held at Swindon in late 1957, when farmers Peter & Zan Clifford took in bed & breakfast customers to help out a friend. The guest house became a licensed country club in 1960, and then a fully licensed hotel in 1962. They have climbed through hotel ratings of listed, approved, one, two and three star, to become the first four-star hotel in the county of Wiltshire. The Clifford family still own the hotel, Peter, Zan, son John, daughter in law Carrie are the directors and third generation Ben, Christopher & Grace all contribute to the business".

"The hotel has progressed by endeavouring to give value for money, and by keeping customer orientated, from our valued local village and town people, to national and international travellers. Our wish is to give satisfaction to everyone who comes through our doors. This outlook has permeated through to our staff, some of whom have been with us since we first opened".

"We are a member of Best Western Hotels, a group of 4000 + individually owned and operated hotels in over 80 countries worldwide. In 2004 we became only the fourth Best Western Premier hotel in the UK, acknowledging the higher level of services and amenities we offer in stylish & charming surroundings".
